Shop 3 Grassmere Parade - PO22 7NT

Dear ms Willard,

I live above this shop, and I strongly Object to this development, There is No need for a sandwich shop as we have lots. If it was an Italian restaurant or something we dont have, something new it would be different; but the shop is in the middle of 3 other shops that make sandwiches!! for the outside tables and chairs, I think it would be too noisy during the day as I sleep to the front of my flat. I wouldn't be able to have my

Windows open, so this will be a problem for me. I also have mental health issues and feel it might have a adverse impact on me.

yours sincerely

Russell Smith
