Dear Sirs,

Re: Planning Application FP/1382/19/PL

I object to this application on the grounds that Felpham Village is already very well served with food outlets of all types and any additional similar outlets will do no more than reduce the turnover of existing businesses.

Since there is no operating launderette in or within a reasonable distance of the village, it may be more sensible to refurbish and re-equip the unit and to continue to trade as previously.

Yours faithfully,
