

# Biodiversity Enhancement Statement

**4 Bereweke Road, Felpham, West Sussex. PO22 7EQ.  
Full Planning Application**

**Conversion of existing detached dwelling into 2no. semi-detached dwellings.**

To show a biodiversity enhancement for the site, we have shown (454/05) a new planted front border between the two properties and we propose the siting of new bird boxes, fixed to the north elevation of each dwelling, at eaves height. – similar to that shown below:-
