Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Loft conversion & rear extension. Amendments to approved application FP/198/14HH
4 The Midway Felpham

Thank you for your internet representation made on 12th August 2015 which has been recorded as '**an objection**' with the comments as follows:

We understand that the owners of 4 the Midway intend to remove the boundary wall & fence between no 6 & 4 and rebuild a new utility on the boundary. In the process realigning to take a few inches of our already narrow access. Please note that we understand from our plans and the previous owner of no 4 that this boundary is owned by no 6. and we have maintained it accordingly.

If building is on this boundary the gutters will overhang our path to the front door of 'The Chalet' it appears a long run of roof gutter which will overflow onto the Chalet front door area if not maintained, this will necessitate access to our property, being the kitchen & bedroom windows of flat 2, on a regular basis.

The new wall would be higher than the existing fence, it would result in the need for more frequent moss removal from the path for the elderly resident of the Chalet.

In our opinion any further extension on 4 The Midway should be a meter inside their boundary to enable maintenance and drainage to be within their property.

In addition flat 2 of 6 the Midway will have a darker bedroom and kitchen, if the path is made more narrow and walls higher.
