Dear Mr Denton.

I am enclosing the required plan for Sycamore T2.

As there is a second, later application in progress at present - applied for by myself at the request of neighbours -

I will only be requesting works to be authorised on the single tree T2.

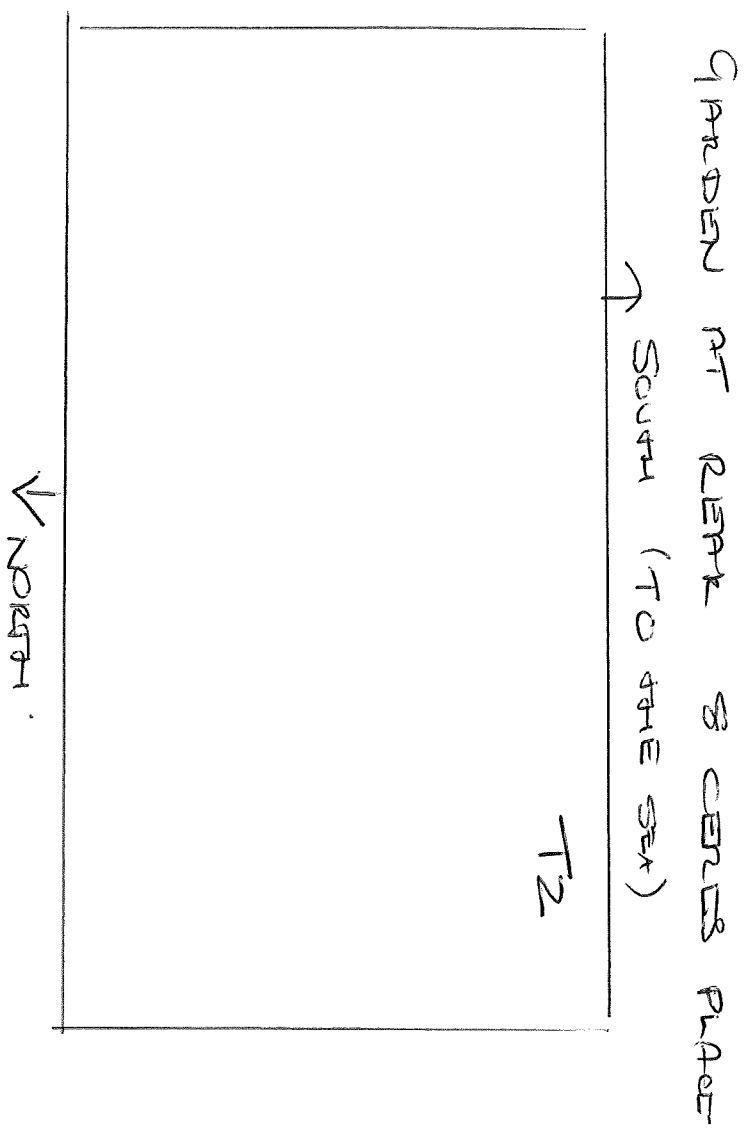

The second application is being dealt with by Miss K. Gamor. Ref FP/139/17/T.

I Trust this is satisfactory.

Thank you.

Yours Faithfully

With reference to T2 sycamore tree, the application is to remove lower branches. The measurements are 5 metres from ground level.
