Dear Sir/Madam

Re. Balcony at rear of Sea Breeze, Sea Road, Felpham

I have lived at this address in Sea Road since the mid. 70's. My garden is adjacent to Sea Breeze and I have a view of the rear of that property. To my certain knowledge Sea Breeze has had a balcony ~~at~~ in its current position for 10/12 years at least.

I hope that this information helps to clarify the situation.

Yours faithfully
