Dear Mr Pullen,

I have had no consultation response from Paul Cann yet. As you know I cannot make a recommendation until after our Drainage Engineers make a comment.

Hi Richard,

RE: Sea Point, 20 Sea Drive, Felpham, PO22 7NE FP/100/15/PL
Discharge condition No.5 relating to discharge of surface water from the site.

As well as submitting another application for the discharge of condition No.5 relating to the above, additional information was also issued to Paul Cann for his consideration.

Would you be kind enough to give me a call with an update on the above.

Hi Richard,

I have also spoken with Paul Cann who has suggested we also speak with you.....

As we have already submitted an application to discharge this condition, albeit refused, I understand that we are now required to formally submit another application to discharge this condition, but I am querying the need for another fee. Would you please confirm if a further fee required?

Kind Regards,
Trevor

Dear Mr Pullen,

Thank you for the email I was on annual leave on Friday and yesterday. I have not had time to call you as am writing up and working on major applications.

From a development control point of view an application must be made to discharge the condition as stated in the attached email. If any further discussion regarding drainage is required you need to contact paul.cann@arun.gov.uk or on 01903 737819.

Dear Richard,

Re; Sea Point, 20 Sea Drive, Felpham, PO22 7NE FP/100/15/PL

Would you be kind enough to give me a call regarding the above site and connection to the main storm-water drainage system. I have tried to contact you several times, but without success.

We are keen to progress this matter with some urgency.

Kind Regards,

Trevor
