Neil,

I am producing a detailed mark-up which will show additional information in regard to positioning / specification of signs. I am looking at getting this back to Carlton Design today so they can get their drawings updated.

I trust this is acceptable?

Kind Regards

Mr Ingram,

I write with reference to the above application.

From the details submitted, I am unable to identify which adverts you are applying for and which are to be illuminated. Looking at the information, I don't think that we should have validated it because it cannot be understood.

Your drawing refers to advertisements A–F but there is no drawing indicating what advertisements A–F are. Please can you supply details of what advertisements A-F are (you can refer to the signage toolkit to highlight which signs are proposed from there) and indicate which of these advertisements are proposed to be illuminated.

Regards, Neil
