Dear Sirs
Reference- ..

On behalf of Canning Court Management Company Ltd and the 8 lessees of the above property, we strongly object to the proposal of the development by the Beachcroft Hotel's proposed plan to put glass terraces on top of the swimming pool roof.

This proposal would be an intrusion to the privacy of all 8 flats at Canning Court which are situated directly opposite to the proposed development.

The proposal would face Canning Court flats which are parallel to the project. The flats would look directly out on to the terraces and the people on the terraces would have uninterrupted views into the flats. In addition there is potential for excess noise during the day and unsocial hours which would affect the quality of the lives of the flat owners.

We would like to point out that the distance from the proposed terrace to the windows of our flats would only be 14 metres. We believe this would be against planning regulations as it is below 20 metres.

The proposed terraces could also have the potential to be used for functions by other people and non residents and not solely for the use of the cottages, creating the potential for further invasion of privacy and further excess noise at all hours of the day.

This is a quiet residential area with no through traffic. The proposed development has the potential to create excess noise and more importantly invade our privacy which would affect the quality of all our lives.

Yours Sincerely

Canning Court Management Company Ltd

Your views as made above will be considered before the application is determined.
