Subject: FP/137/20/DOC - Land On West Side Of Stanhorn Grove

Dear Grace,

I have had Environmental Health comments regarding the lighting. The Officer asks that you clarify the number and position of units (to include streetlighting and any installations on buildings) as they don't consider this to be entirely clear from the submission. EH just need to be sure that the installations are not likely to create overspill/glare/creep/bleed etc. Please can you provide clarification.

Thanks.

Simon J Davis MRTPI
