Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: FP/137/21/HH  
Site Address: 10 The Grove Felpham PO22 7EX  
Description of works: Creation of new first floor and erection of single storey front porch extension following the demolition of existing garage and rear sun room

Thank you for your internet representation made on 2nd July 2021 which has been recorded as an objection with the comments as follows:

OWPC37938

The proposed first floor extension will impact on my property next door by reducing light into my kitchen and lounge but also destroy the privacy I enjoy on my patio directly to the rear of my property. The plan shows velux windows to the north side of the proposed plan but if they are opening windows my privacy will be lost.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
