Simon,

Please find attached a section through the house showing floor, ceiling, window and rooflight heights to provide further clarity.

I also attach revised elevations which show an additional division to the south-facing opaque windows allowing only the top pane to be opening.

Please don't hesitate to contact me if you require any further clarification or have any queries.

Best,
Maria

Dear Maria,

Thank you – I was able to see what I needed to on Monday.

Whilst writing, I am not able to work on the decision until w/c 23rd August. I am therefore requesting an Extension until the 27th August 2021. Can you confirm that this is acceptable.

Kind Regards
