Please ask for:

Technical Support Unit on extn. 37711

25th June 2019

Dear Mrs Francis

Development:

Erection of a single storey one bedroom dwelling house approximately 7.5X7.5metres footprint (pent or apex roof not exceeding 4 metres in height) with great attention and respect being paid to minimal impact/noise during construction, only taking a few weeks, and after visual low impact via use of current alternatives to normal foundations as low weight of building, property constructed from super insulated panel system (very low U values) clad in materials to match the surrounding properties.

In addition the dwelling would provide all of its own energy requirements via solar roof tiles, solar water heating panels and waste water would be processed via a package treatment plant, basically an independent development with no impact on its environment.

The two trees would NOT be affected by this development but become part of its garden area.

Location:

7 Fittleworth Drive Felpham

Thank you for your application submitted via the internet on 23rd June 2019. It is being dealt with by the Technical Support Unit and has been allocated the reference number

FP/139/19/OUT.

We will contact you shortly with further details.

For details on how the Council will deal with your data, please refer to our privacy notice called Privacy statement planning application on the website www.arun.gov.uk/planning-privacy-statements

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Miss N Spencer
Technical Support Unit Officer
