2m Crown Reduction to 1No. Hornbeam.

In pursuance of their powers under this Act and these Regulations the Council **REFUSE** consent for the operations described in the application and plan for the reasons stated.

1 The tree is a significant feature in the local landscape and appears to be in adequately sound and healthy condition. The tree surgery proposed in the application would result in excessive reduction of the tree's landscape impact and undue detriment to the visual amenities of the locality, in conflict with the NPPF.
