Dear Mr Blumer,

FP/13/20/PL at Beachcroft.

I have today received comments from our coastal engineer regarding the works to the sea wall.

They have objected to the works as alterations to the seawall would compromise the integrity of the defence. This will be uploaded to view online. Under the Coast Protection Act the applicant would still need to serve notice on Arun District Council as the Coast Protection Authority, which would likely be objected to also.

Following their comments I would advise this is removed from the application. Please let me know if this something you would be willing to do. If so, please are able to amend the plan showing the no alteration to the wall and I can proceed to pass it through for determination.

Please can we agree an extension until the 17th April.

Thank you
Amber
