Dear Mr Davis,

Thank you for your email of the 27th September 2013.

I confirm that I am happy to amend the description of works to the common lime (T2) to:

"Reduce crown by 5m."

Dear Mr Rodwell,

Further to the comments forwarded by my team leader Daniel Vick, I wonder if your client will agree to the amended works to T2? If so, could you reply to me in writing (by email) indicating your agreement to an amended description of say "T1 Common Lime: re-pollard at 6m above ground level removing 9m of crown above the Pollard; and "T2 Common Lime: reduce crown by 5m". Then I will proceed to issue the decision. Otherwise I will have to refuse the works to T2.

Kind Regards

Dan -- in Simon's absence should you progress this as the tree is dangerous?
