27th August 2008

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Change of use from highway verge to private garden and erection of 1.8m high brick boundary wall

1 Poulner Close Felpham

Thank you for your comments received on 27th August 2008 and recorded as follows:

> *The planning committee object strongly to this application on the following grounds: There will be a severe impact on the street scene, relacing an open space and trees with a high brick wall and the consequencial loss of visual amenity. The trees which would be subsumed into the applicants garden were provided by public money from the council. There would also be a loss of open space which would set a dangerous precedent for other similar small open areas in the future.*

Your views will be considered before the application is determined and I shall inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

ZJ Ellwood

Zachary Ellwood
Interim Head of Development Control
