Re Planning App no FP/155/13/T and Appeal Decision no APP/TPO/C3810/3601 for 15 Manor Copse.

Dear Sirs,

I am writing to propose the location for the replacement trees as required by condition 1.1 of the decision .

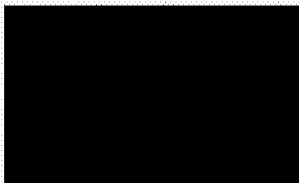

I would like to place them (2) at the sites marked with a red cross on the enclosed site plan.

They would be immediately visible from Limmer Lane and Hayleys Gardens and would also give a balance to the rear garden of the property.

The species preferred is Ulmus" New Horizon". I have managed to source two trees from Hilliers of Winchester that are at least 6 metres in height.

I am available at short notice should you wish to visit the site.

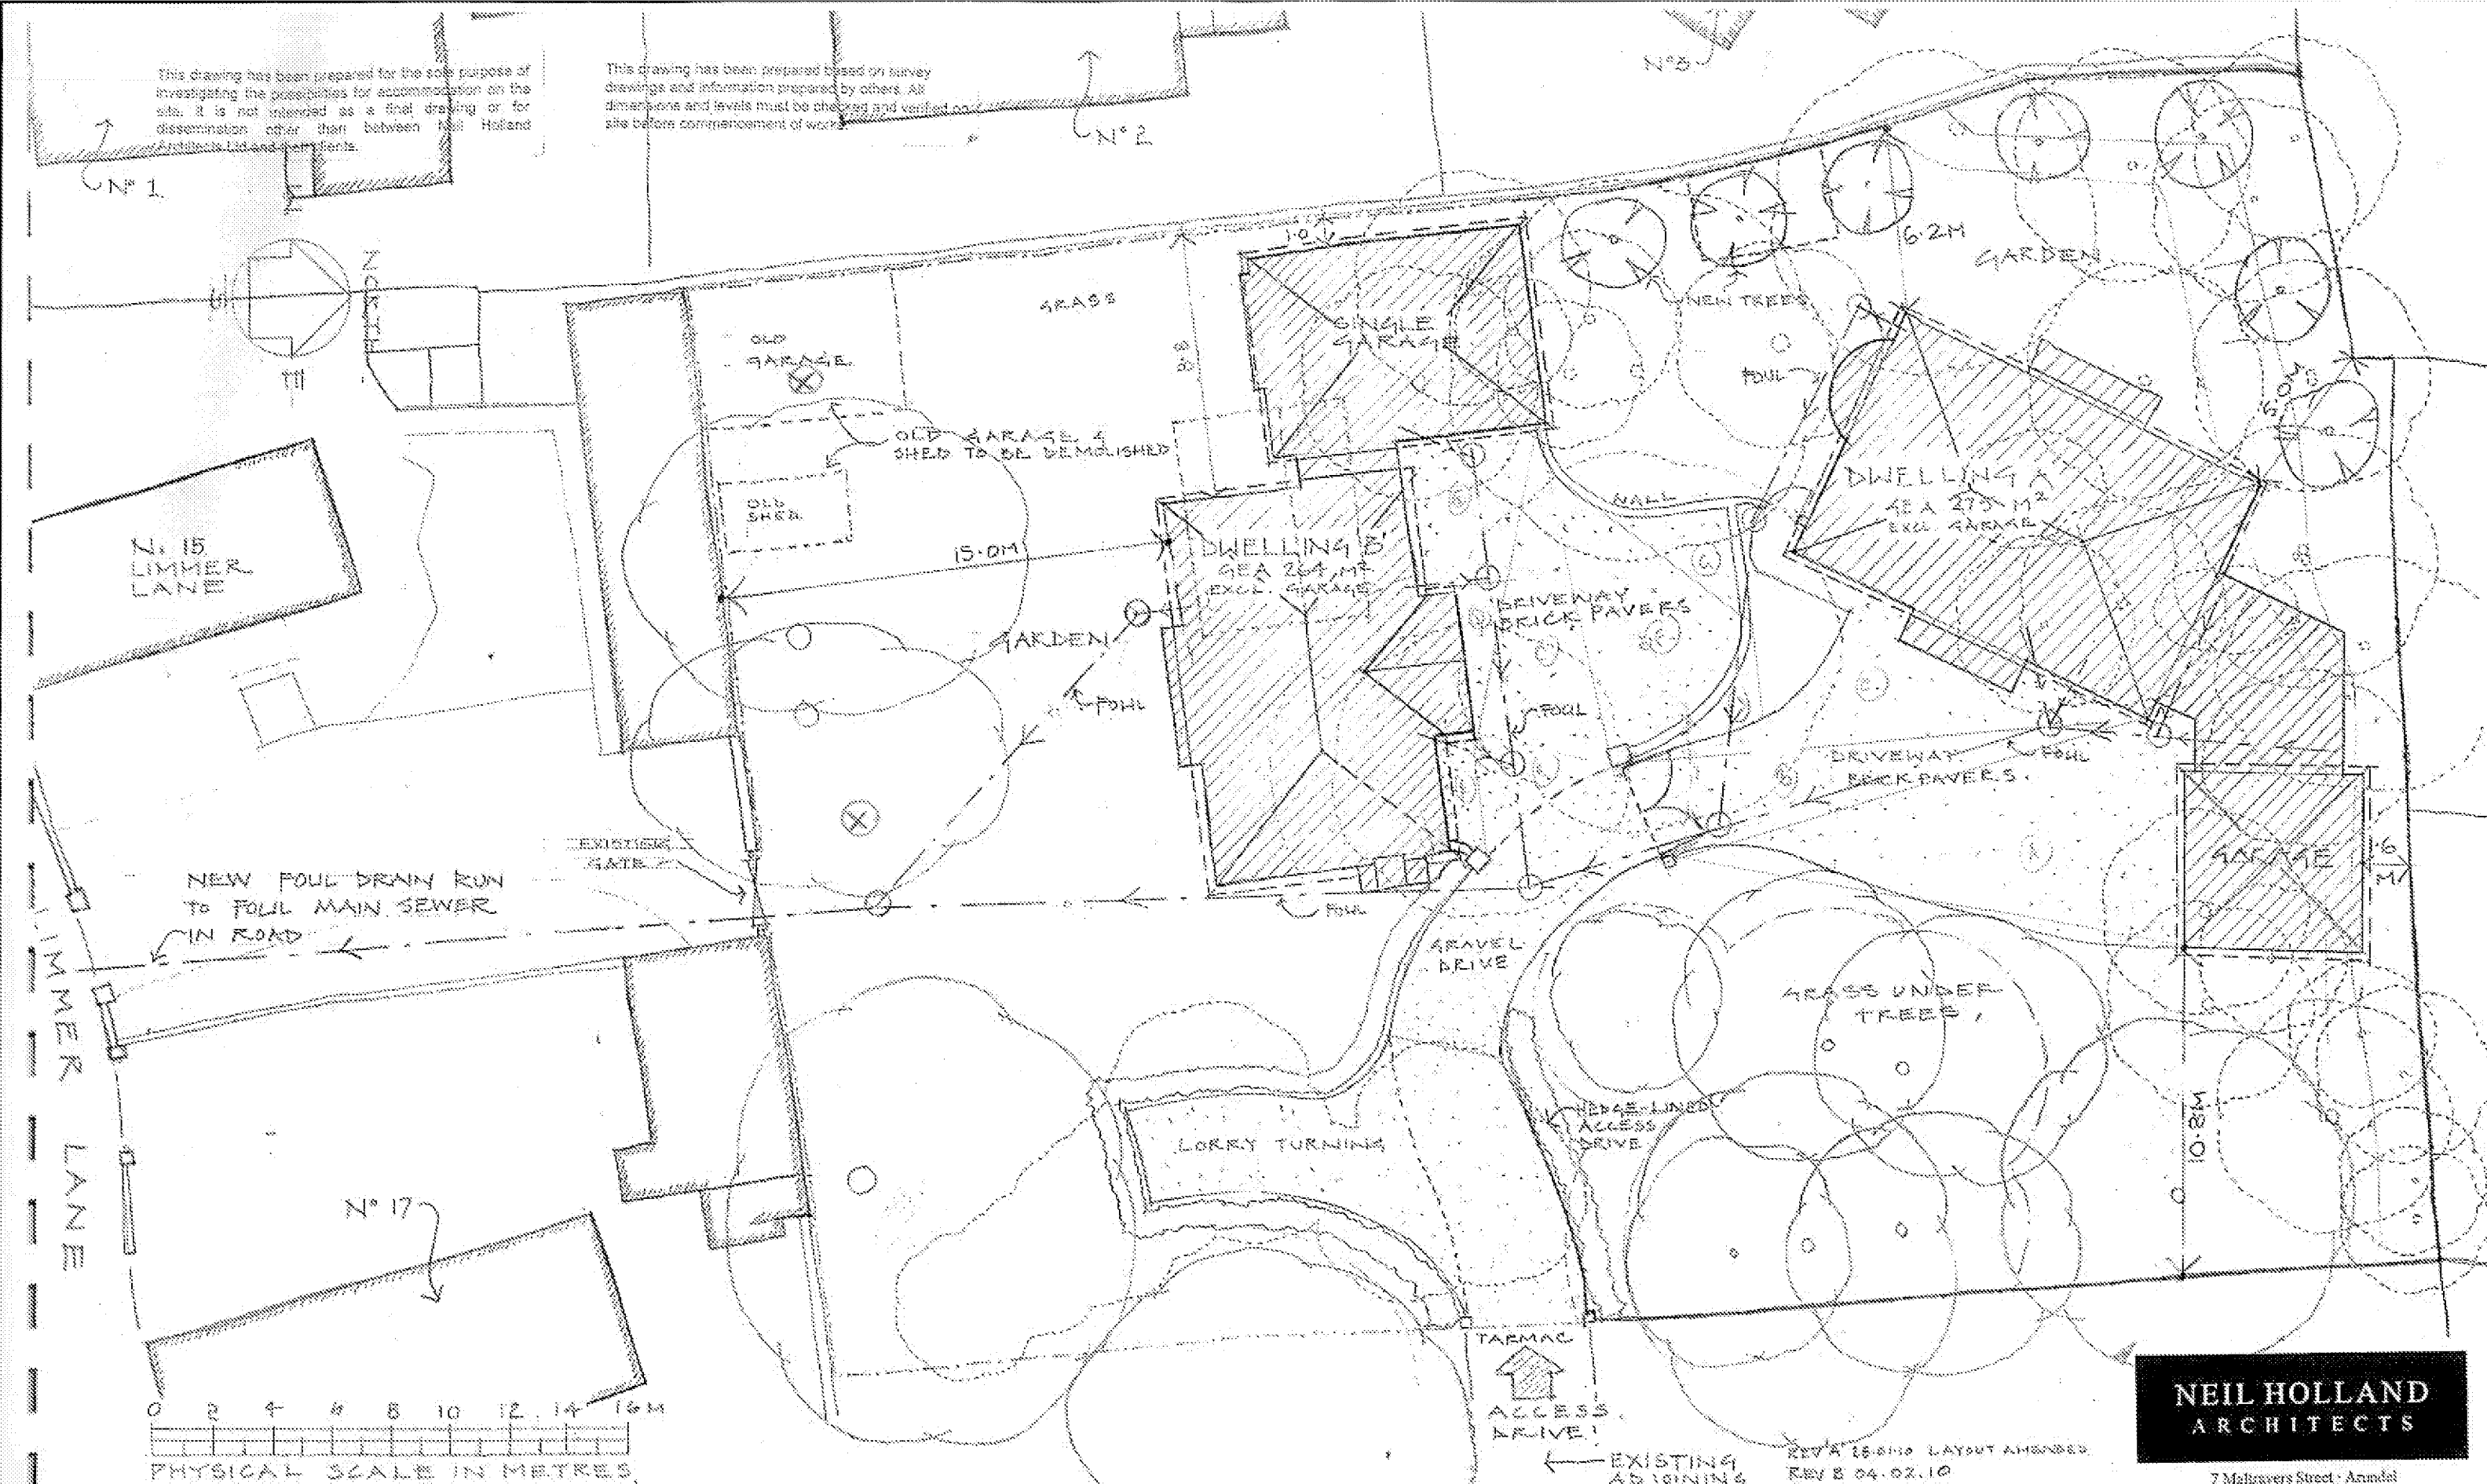

Yours faithfully,

AR Tall
