Morning Daun

'various to various' is fine with me – the full spec is on the application form, and as you say will be displayed on line like this, so happy to go with that description

Many thanks

Regards,

Just to clarify...is 'various work to various trees' ok to go with or do you want your description in full?

Thanks,
Daun

Hi Daun

I think your second approach would be a good compromise.

Kind regards

Andrew,

It seems to be a very long description if I include everything. I tried to cover all the information in your description but in a consolidated way.

If my description is not satisfactory, I can simply word the description as 'various works to various trees' and then the public, tree officer and case officer can see everything in your description.

I can do the description, word for word, as you submitted it if that is better for you.

Hope that explains my thinking behind the amended description.

Thanks,
Daun

Andrew,

I have tweaked your description a bit for the proposed tree works.

Can you let me know if it's satisfactory?

'Laterally prune 1 No. Horse Chestnut at source/suitable union to achieve a crown lift of 4m & prune epicormic growth; shorten lateral spread to clear roof line by 50cm to group of Sycamore, Bay & Laburnum; reduce apical & lateral spread by 2m, reduce height by 2m to 1 No. Bay tree; re-pollard to original pollard points/knuckle at 6.5m to 1 No. Holm Oak, lateral prune to source/union subordinate branches to achieve a crown lift of 3.5m & shorten lateral spread heading north east by a maximum of 1.5m to 1 No. Horse Chestnut tree.'

Please let me know if it's ok.

Thanks,
Daun
