Dear Ivon Blumer,

RE: 55 Felpahm Way, Felpham

Thank you for your enquiry dated 08/09/2025 asking whether the vehicle crossover, providing access to the above property, has been properly authorised by West Sussex County Council and/or whether it has been constructed to the appropriate specification.

Having checked our records I can confirm that consent was given on 21/06/2010 and the Licence number is CONV-02683 there are no outstanding issues and the vehicle crossover now forms part of the maintainable highway.
Should you have any further enquiries please contact me.

Yours sincerely,

Issie Hughes
