Dear Mr Davis,

FP/159/13 - Fitness Course, Rookery Farm, Bognor Regis.

Further to your recent e-mail I attach 3 copies of my client's substitute layout plan. The proposal now includes 8 car parking spaces, including one disabled, which will be served off the existing crossover. Previously this crossover served the commercial bio-mass activities in the site and has extensive visibility in both directions. This access will be resurfaced with tarmac for the first 10 metres and then will be type 1 as existing.

If you require any further information please do not hesitate to contact me.

Yours sincerely

Elizabeth Lawrence
