Development - Fell 1No. tree
Location - Turret House, Limmer Lane, Felpham
Validated by - Zac Denton

Hi

After receiving a letter from yourselves with the rejection of my documents as a formal application.

The answer to the question you asked "what species of tree are you wishing to fell?"
I can confirm the answer is, 1 Cherry Tree.

I hope this clears everything up and look forward to hearing from you with confirmation the planning application has been accepted.

Kind Regards
