16, Lionel Ave
Felpkunn
Bodmer Regis

Dear Sir/Madame

With ref. to tree order
FP/15/17/T I wish to
object the order to fell.

This beautiful horse chestnut tree is
at least 150/200 years old, and is
not in poor health. It harbours much
wild life and is a source of beauty
inspiration & joy to many people in all
its seasons.

This letter is written as an ode really
as I do understand the roots are now
doing some damage to the drains of No 14 Lionel

Ave.

So many trees are removed though
because of petty whims of people now.
i.e. leaves, shade, bird lime. cars.
imagined dangers.

One other thing, trees should
only be felled if necessary in the
winter months when they sleep.

Yours sincerely
