Dear Planning

Please find attached our application for tree work at 54 Outerwyke Road which includes sketch of property and photos showing the tree and its proximity to the road. There are concerns that the tree could loose a limb in high winds etc.

The owner believes that:

West Sussex has an interest in this tree and we would appreciate your guidance regarding this. Is it possible for us to make this application on the assumption your Planning Team will advice them so that they can inspect and comment or is this something we need to do?

Please contact Nigel on his mobile if you wish to discuss this further.

Kind regards

Sharon (Mum on behalf of Nigel,
