Dear Mr Curnow,

Thank you for the additional information you provided for application FP/167/11.

Unfortunately there are two outstanding items, to make the application complete I need a completed Validation Checklist (please find attached) and I also need a Flood Risk Assessment as the property is in a flood zone, apologies for omitting this from my original email. If you have any questions or need an extension of time on providing this items then please contact me.

Kind Regards

Charlotte Burrows
