Dear MRS KEARNS,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10**

Application for a Non-Material Amendment Following a Grant of Planning Permission

Development: We had planning approved for a change in roof tile colour from red to grey on 2nd September. When we submitted our application we stated we intended to use a tile called Sandtoft 2020 in slate grey. We now would like to use Redland concrete plain tile roof tile slate grey. The reason we stated the Sandtoft was because we were told by a roofer we needed this for the 15 degree pitch of the porch. We now know we can use this Redland for that if they're laid in a different way.
