Morning Amber,

Sorry in the delay I am on short weeks over the coming month. Yes, I did meet with the owners of the new café recently (Wishfield Café) following requests for food advice visits. They are not intending to do any cooking but to use sandwich/Panini toasting machines and a microwave. They have installed a ceiling air conditioner unit and ceiling fans following my recommendation for the dishwasher and for the catering equipment previously mentioned only because of potential steam created. I am happy with the layout. Hope this information helps.

Kind Regards
Nick Howard

Hi Nick,

I am the new officer on an application FP/16/19/PL at at 1 A Wood Hill Way, Felpham.

I have spoken with the applicant and she passed me your name stating you had visited the property several times and were happy that there was no cooking to be done at the premises.

Please are able to provide any information regarding this and whether the application is good to go ahead with no conditions about the extraction etc as there is no cooking.

Thank you
Amber Willard
