Dear Nicky

Thank you for your email yesterday.

I have sort the advice from a professional tree surgeon who I hope will also do the work if approved.

The measurements he has given me are:

Height = 12 to 15 metres
Spread= 4 metres

The spread will be more on the owners side than my side due to the positioning of the trees in relationship to the boundary of my property.

Thank you in advance.

Yours Sincerely

Nat Andrade
