4 COLOURS

Price from: £ 239.95

The RainBowl Flower Water Butts are new for 2015,

Based on the RainBowl Vase style from 3P Technik, the flower version incorporates an added planter, creating a space on top for growing what ever you wish.

These 150 Litre Water Butts are available in 4 contemporary colours;

- Chili Pepper Red
- Kiwi Green
- Mango Orange
- Slate Grey

Ideal for home and office, these water butts will blend harmoniously into any garden landscape.

Features

2 x 3/4" BSP brass threaded ports

1 for Tap Connector and one for drainage

A Chrome Tap

& Wall fixing bracket and screws

We recommend using a 3P Filter Collector for filling from your down pipe as featured in the product images, other filters and downpipe connectors can be found on our downpipe connectors product page here (<http://www.waterbuttsdirect.co.uk/products.htm/accessories/downpipe-connectors>).
