Thank you for your recent application which I received on 7th August 2019. It is being validated by Sian Eggington who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Please confirm in writing your acceptance of the amended description.

Erection of sunrooms including the demolition of existing sunrooms. And erection of a new outbuilding to replace the existing outbuilding at number 6 Gorse Avenue.

Block Plan

You are required to include dimensions on the block plan from the proposed sunroom to all site boundaries, and from the outbuilding to all site boundaries and the main dwelling.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.
