Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/170/21/PL
Site Address: Land North of Felpam Bognor Regis
Description of works: Replace bollard with chicanes adjacent to emergency access gate.

Thank you for your internet representation made on 30th July 2021 which has been recorded as an objection with the comments as follows:

OWPC39024

I cannot understand why a retrospective application is continuing to be made for these unsightly barriers. No one at ADC has listened to the objections of the residents nor is ADC bothered that lives have been put at risk due to emergency vehicles unable to gain access despite being in situ for emergency vehicles only. This is one of many objections that yet again is not being listened to so I'm not really sure why there is a comment section on here.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has

been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
