

Attention Mr. M Eastham. 42, Westmorland Drive
Delpham
PO22 8NA.

Dear Sir,

Ref Planning
FP/170/21/PL.

Since the chicanes have been installed
Our Road has been much quieter and
Safer. No Motorcycles Speeding through
day and night.

We think the chicanes have made it
So much more safer to walk to the shop
On the new estate. Which I & myself and
my husband makes a big difference as we
are both disabled.

We support their planning application.
Yours faithfully
