Dear Sir/Madam,

Re: Land off Stanhorne Grove, Felpham

We have been appointed as the contractor on behalf of Worthing Homes to clear the development of scrub in preparation for upcoming development.

As a company we are dedicated to keeping disruption to a minimum and keeping residents updated to the program of works during the process.

Therefore, we are planning to start the clearance works on the 14th January 2019.

The works should take just under a fortnight (Monday – Friday only) this has been discussed with the local authority and the correct people have been consulted.

If at any point you have any concerns or queries, please call 01794 339933 or email contact@hampshirehomesgroup.com

Regards,

Hampshire Homes Ltd
