Hi Mark,

Following on from previous discussions I note you wanted to arrange a meeting pre-commencement on the scheme, we are keen to get the scheme secured following the clearance works, it would be useful to have the meeting sooner rather than later to confirm what you are comfortable with in regards to fencing within proximity to the trees, with this I didn't know whether it was worth having the meeting detailed out in the planning conditions as soon as possible? If you could let me know your availability would be much appreciated.

Regards
