Mr Davis,

What is going on??

You'll know local residents have just received a hand delivered notice, that clearance work is starting on Monday 14/01. This is only half a days notice and totally unacceptable

We should have been given at least a minimum of 7 working days notice. There is no mention of what time in the morning the works will commence, no mention of road clearing facilities and how does Hampshire Homes intend getting into the site?? Just straight across the grass. There is no mention either of provision of where contractors cars are going to park either. If they park in Stanhorn Grove, or on other parts of the large grass verge, there will be trouble.

Machinery being left unattended overnight unsafe with no protection. It's absurd.

You mentioned in your mail to me, it's got nothing to do with planning, so why is Lauren Wiltshire informing you of the mail drop and coming to see you today?

This is not a good way to begin this work.

A very angry resident,

Jk
