Dear James,

Our solicitor thinks it very unlikely. WSCC had it for over a month and it's currently with the principal solicitor to review comments/amendments. The applicant's solicitor will then need to review our amendments and then it will need to be circulated. They say that Feb is more realistic.

Kind Regards

Good afternoon Simon,

Just a quick note to see if you had any information/ thoughts on the progress of the S106? From the conversations with my client this morning they are pressing me for an end of January completion and I wondered on your thoughts on this being a realistic target?

Kind regards,

James
