Hi Simon,

We are trying to get hold of the tree officer at Felpham to arrange a meeting as we ideally need to trim some of the trees back and also to conclude the pre-start meeting with him in regards to tree protection as we are looking to erect the hoarding shortly.

I know it is short notice but we are down on site tomorrow could you ask him to make contact so we can run through our proposals? Sorry to use you as a messenger I just want to ensure I am following through the right channels.

Regards

Lauren Wiltshire
