Development Change of use from shop (A1 Shops) to physiotherapy office (D1 Non-residential institutions)

In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 2nd December 2014. Whilst every endeavour will be made to still reach a decision on your application within the statutory time it may not be possible to meet this timescale because I require more time to write up the report in the context of my current case load.

I am therefore writing to ask you to formally agree to extend the period for deciding your application until 9th December 2014.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 1st December 2014. Please retain a copy of my letter for your records.

If you agree to the extension of time, an appeal against non determination cannot be made until that extended period has elapsed.

Yours sincerely

Karl Roberts
