30th September 2008

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Minor alteration to change roof detail over main entrance doors from hipped to gable detail & installation of new red fabric 4m square jumbrella

The Southdowns 133 Felpham Way Felpham

Thank you for your internet comments made on 29th September 2008 and recorded as follows:

The council objects on the following grounds:□

1. *The size and colour of the proposed Jumbrella will affect the visual amenity.*□
2. *The Jumbrella may be distracting to passing traffic where there is a Pelican crossing and a busy roundabout in the immediate vicinity causing a potential safety hazard to both pedestrians and motorists.*□
3. *The proposed site of the Jumbrella for external seating is not appropriate adjacent to such a busy road.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
