Hi Amber,

Please see attached for your consideration.

Thanks
Lloyd

Dear Mr Wilson,

I would advise you send me the amended plans and I can upload them as substitute. As the change is minimal it should not require re-advertising and then when a decision is made these can be the approved plans.

Thanks

Amber

Subject: 11 Derwent Grove, Felpham. FP/176/19/HH

Hi Amber,

I have a planning application in at the moment. 11 Derwent Grove, Felpham. FP/176/19/HH. Accepted as valid.

Due to building control alterations the plans will be slightly different from those submitted for planning. Only that we will not build to the boundary.

As the final decision has yet to be determined will an NMA be required or can we submit revised plans for consideration?

Many thanks

[REDACTED]

Lloyd Willson
