Details of the pre-application advice received

A pre-application submission depicting a pair of semi-detached houses to the east of 7 Ambleside was submitted. The response raised concerns over the provision of private amenity space when compared to planning policy, and possible concerns of overlooking, particularly to the south, towards 8 Ambleside. This application is for a single dwelling, which it is believed responds positively to the concerns raised in the pre-application feedback. Further details can be found in the accompanying Design, Access and Planning Statement.
