Subject: Planning app for 7 Ambleside felpham

I am writing to object to planning of F/P/179/20PL as I have live in this property fo 39 Years, Recently the owners have cut down large trees and exposed my property and now this planning is being applied for I feel very strongly that my privacy is being encroached on .

Also Neighbour's have also complained as the gardens have never been overlooked and feel that this is not acceptable as no planning notice has been put up regarding this application .
