Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/179/20/PL
Site Address: 7 Ambleside Close Felpham PO22 8NG
Description of works: 1 No 3 bedroom detached chalet bungalow. This site is in CIL Zone 4 and is CIL Liable as new dwelling.

Thank you for your internet representation made on 6th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30110

I am not happy with this planning application.

I do not believe the infrastructure is adequate in terms of dealing with the sewerage. I understand there have been a number of problems recently in connection to this and therefore an additional property would overload the system further.

Secondly there is an issue with excess surface water in the close when it rains heavily. This again will be exacerbated by an additional property and the loss of garden to soak the rain up.

Thirdly the close has a problem with parking and there is some question about access to the proposed property. The likely result would be even more parking difficulties within the close.

Lastly I would be totally against building a new property within an existing residential garden as it is completely out of keeping with the rest of the close.

Your views as made above will be considered before the application is determined.
