Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/179/20/PL
Site Address: 7 Ambleside Close Felpham PO22 8NG
Description of works: 1 No 3 bedroom detached chalet bungalow. This site is in CIL Zone 4 and is CIL Liable as new dwelling.

Thank you for your internet representation made on 7th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30158

1. The proposed chalet bungalow is not in keeping with the street scene in the close which is a mix of 1960s semi-detached and detached homes.

It is a small close of 8 houses plus 2 corner houses at 63 and 65 Outerwyke Rd which both face into the close.

2. At any one time there can be up 18 vehicles parked in the close, either on driveways or in the road. This proposed development could add at least another 3 vehicles where parking for visitors and deliveries is already difficult in such a small space.

3. Due to the current lack of available on- road parking, access to the proposed building site by lorries, plant machinery and builder's vehicles would cause major disruption and inconvenience to the other residents of the close.

4. Last winter there was a back-up of sewage in the drains in the close necessitating more than one emergency call-out. Adding another house with 2 bathrooms to this already overloaded system will only exacerbate the problem.

Your views as made above will be considered before the application is determined.
