Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/179/20/PL
Site Address: 7 Ambleside Close Felpham PO22 8NG
Description of works: 1 No 3 bedroom detached chalet bungalow. This site is in CIL Zone 4 and is CIL Liable as new dwelling.

Thank you for your internet representation made on 8th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30181

The style of the proposed development is not in keeping with the houses in the area and we will be overlooked, resulting in loss of privacy. The style of housing in this neighbourhood is such that houses are not closely on top of each other, this development will be very close to neighbouring properties and affect their privacy.

The site has until recently provided wildlife habitat with many different species of birds nesting. The trees have now been cut down, presumably to enable the biodiversity report to say that there are no trees where bird nesting can take place. The site is, we believe, also home to bats which are a protected species and have added to our enjoyment of the wildlife in the area.

Your views as made above will be considered before the application is determined.
