Mr W Geall

3 Thirlmere way

Felpham

PO22 8NQ

I strongly object to this proposed construction for the following reasons.

Due to the mature trees being taken down I not only have lost my privacy but it has taken all wildlife from my garden .1.25 metres is far to close to my boundary .

The impact of value this would have on my home .

Lack of information no notices posted.

Construction noises.

Workforce will have full view of our property during construction.

The building is not in keeping with the rest of the houses in the area and will look totally out of place and doesn't give sufficient room around both properties. Limiting habitat for the wild life (hedgehogs) that go from garden to garden.
