Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/181/20/PL
Site Address: Beachcroft Hotel Clyde Road Felpham PO22 7AH
Description of works: 2 storey rear bedroom extension. This site is in CIL Zone 4 (Zero Rated) as other development,

Thank you for your internet representation made on 28th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30784

This development is out of keeping with the street scene and it will overwhelm adjacent properties. As mentioned in the application this is a quiet residential road which already suffers from high density traffic from the hotel with early morning deliveries and pick up of hotel rubbish. There is already insufficient parking for guests and staff and when coaches arrive the staff park on Canning road and leave no room for residents. This will be further exacerbated by adding 6 more bedrooms. Furthermore the scale of the build will mean disruption to the residents for several months with the arrival of trucks and building materials.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications

have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
