Dear Mr Blackwell,

I have just received Arboricultural comments regarding your application for tree surgery at 81 Downview Road, Felpham.

As it stands, the application is set to be refused as it is believed that the works would undermine the amenity value of the trees.

However, the Tree Officer has made an advisory that would allow you to "*Crown reduce to 6m above ground level to the height of previous pruning points and no lower*".

Do you accept the advised works?

Please reply within a week.

Yours sincerely,

Z Denton
