**FULL APPLICATION FOR PLANNING PERMISSION FOR WORKS OR
EXTENSION TO A DWELLING**

Dear Mrs Honney-Bayes,

Thank you for your letter dated 26th September, following our telephone conversation on Friday 7th October 2011, please now find enclosed:-

1 paper copy of a revised block/site plan to show proposed work clearly highlighted in red. As discussed on the phone 1 copy was enough due to the works being like for like.

1 paper copy of the existing and proposed floor plans, again as discussed on the phone 1 copy was enough due to the works not affecting the floor plans.

1 pack of photos from Anglian of the existing elevations, as discussed the windows will be replaced like for like and as such you stated that my previous letter enclosing Anglian Retail Survey Report stating the measurements of the windows would satisfy the proposed elevations (please note the photos have been labelled to the same as each window is stated in the Retail Survey Report by Anglian).

Also one photo taken by my son of the lounge window, due to the angle and neighbouring buildings this is the best photo we can take.

Finally I have enclosed and filled in the correct form and validation checklist.

I look forward to hearing from you or your colleagues in due course.

Yours sincerely
