Engineers Response Regarding Surface Water Drainage

Please remove my request for condition PCENG2 to be applied should you be minded to approve this application. If the application is approved please request that the surface water drainage is constructed in accordance with The Drainage Layout 'Drawing 2' and 'Construction Details - Drainage 7MR' as attached.

Kind Regards

Dear Ms Tomalova,

I am attaching updated drainage files for the application at 7 Middleton Road, PO22 6BL.

I have copied in the Council's Engineer Ms Burrow to this submission who has helped me amend the previous submissions and has said that her consultation will need to be amended.

I am looking forward to the application progressing. Please let me know if I can provide anything further. I believe the planning agents are in contact with you already as well. (Copied in.)

Kind Regards,

Edward McCarthy
